SECTION IV. REQUIREMENTS

A. Requirements

The following criteria are the minimum requirements expected of all members of the U.S. Soccer Development Academy.

1. Permissible Outside Competition

Academy Teams shall be permitted to participate in elite tournaments and international travel per approval by Academy Staff. Academy Teams will only be permitted to participate in approved competitions and events that follow the Academy Technical Framework.

Academy team or player participation in competitions such as State Cup, Super Y-League and U.S. Club Soccer is not permitted.

2. Player Participation in Unapproved Competitions

Development Academy players are not permitted to participate on any teams other than their Academy team during the Academy season. Participation on other club teams, other age groups within the club, ODP, Regional ODP and any other teams is not permitted. The only two exceptions are National Team duty and the players' High School teams.

3. Training Days

Each team will be expected to hold at least three training sessions per week during the Academy season.

4. Rest Day

Each team is expected to provide at least one day of rest per week during the Academy season.

5. Age Groups

Development Academy clubs will be required to field teams in both of the Academy's age groups: U-15/16 and U-17/18. Teams should include a minimum of 36 full-time players from different age groups.

6. Marketing Guidelines

Each Academy team will be expected to follow the Marketing Guidelines set forth by U.S. Soccer.

- A club's apparel sponsor (if any) will not influence selection into the Academy program.
- All Academy games are played with the official Academy Game Ball.
- All Academy players are required to affix the Academy patch on the right sleeve of the game jerseys.

7. Performance Bond

If accepted, each Academy team is required to provide a \$2,500 performance bond. The performance bond will be rolled over to the following season at the end of the current season.

8. Completion of Academy Season

All Academy teams are required to participate in the entire Academy Season. Should a team fail to complete their schedule, they will sacrifice their performance bond and lose their standing as a Development Academy club.

The Academy season will require extensive travel, including air travel during the ten-month season.
