Still Photographers

Locations: Still photographers are permitted to shoot U.S. Soccer events from behind the field sign boards in either end line. At events where space allows, photographers may also shoot on the sideline opposite the benches between the end line and the 18-yard line. Shooting from the 18-yard line will be allowed on a match-by-match basis depending on space. The attacking direction of the teams is determined by a coin toss. Following the coin toss, photographers must pick one end of the field to shoot for the entire half. The ONLY time photographers may change ends is at halftime. At NO time are photographers allowed on the field of play.

Photo Marshals: U.S. Soccer will use photo marshals to assist on-field media. Photo marshals can assist with providing lineups/rosters, distributing bibs and assist with questions on location and other topics. Photographers are required to follow all instructions of the photo marshals.

Bibs: All still photographers are required to wear a colored bib as provided by U.S. Soccer. The bib is lightweight and designed to be worn outside of outerwear and be visible at all times. Please return the bibs to a photo marshal following the game, or leave them in the press box / photographers' work room.

Pre-Game Photos: Each team's starters will pose for a pre-game photo near the bench area following the national anthems. Photographers should gather in the near-side corners once the teams leave the field after warm-ups. U.S. Soccer will escort the photographers to midfield.

Field Watering: The grounds crew may water the field prior to warm-ups and also prior to kickoff. Please be responsible for your equipment during this time. U.S. Soccer is not responsible for damage to any equipment.

U.S. Soccer permits pictures to be taken from the press box for social media reporting purposes but prohibits the collection of any type of video from the press box. Doing so may result in revocation of press credentials.

Appendix I: Non-Rights Holder Video Guidelines
