Changes for the 2017 U.S. Open Cup Tournament

The following list highlights the changes made for the 2017 Lamar Hunt U.S. Open Cup Tournament or the Handbook since the 2016 edition:

- 2017 Referee Fee Schedule (Round of 16 to Final): As a result of collective bargaining between the Professional Referees Organization (PRO) and the Professional Soccer Referees Association (PSRA), rates have increased by three percent over 2016 rates for U.S. Open Cup matches from the Round of 16 to the Final per the schedule on page 34. Fees for these same games are scheduled to increase annually by three percent through 2018.
- The following sections of the Open Cup Policy have been revised:
 - Section 202(d). Team eligibility — The word “materially” was added to the second phrase of the opening sentence to qualify the management of a lower-level professional team player roster by a higher-level professional team in determining whether the lower-level team shall be ineligible to participate in the Open Cup.
 - Section 203(a). Player eligibility — A provision was added to expand the eligibility of players on loan “from teams who have been deemed ineligible for the current Open Cup competition due to the provisions of Section 202(d) [which excludes a pro team whose roster is materially controlled by a higher-level pro team] and are loaned to the team exercising roster control pursuant to Section 202(d).”
- A grid showing the commercial assets that may be utilized by clubs over the course of the tournament has been added to the Commercial Rights portion of the Handbook (see page 30).

2017 U.S. Open Cup Competition Format

The 2017 U.S. Open Cup will be conducted on a single-elimination, one-game-knockout basis utilizing a tiered-bracket format (98 games—see the tournament bracket on the page following this section).

Each team will be matched with an opponent according to the following provisions:

- Pairings will be arranged to prevent the possibility of a non-professional Open Division team playing a parent club should both teams be in the competition in the same round, except for the Final. In 2017 the following pairs will be avoided:
 - Jacksonville Armada (NASL), Jacksonville Armada U-23 (NPSL)
 - OKC Energy (USL), OKC Energy U23 (PDL)
 - Seattle Sounders FC (MLS), Sounders FC U-23 (PDL)

Pairings will also be arranged to prevent the possibility of a team who receives material technical support from another club from playing that side, except if both teams reach the Final. In 2017 the following pairing will be avoided:

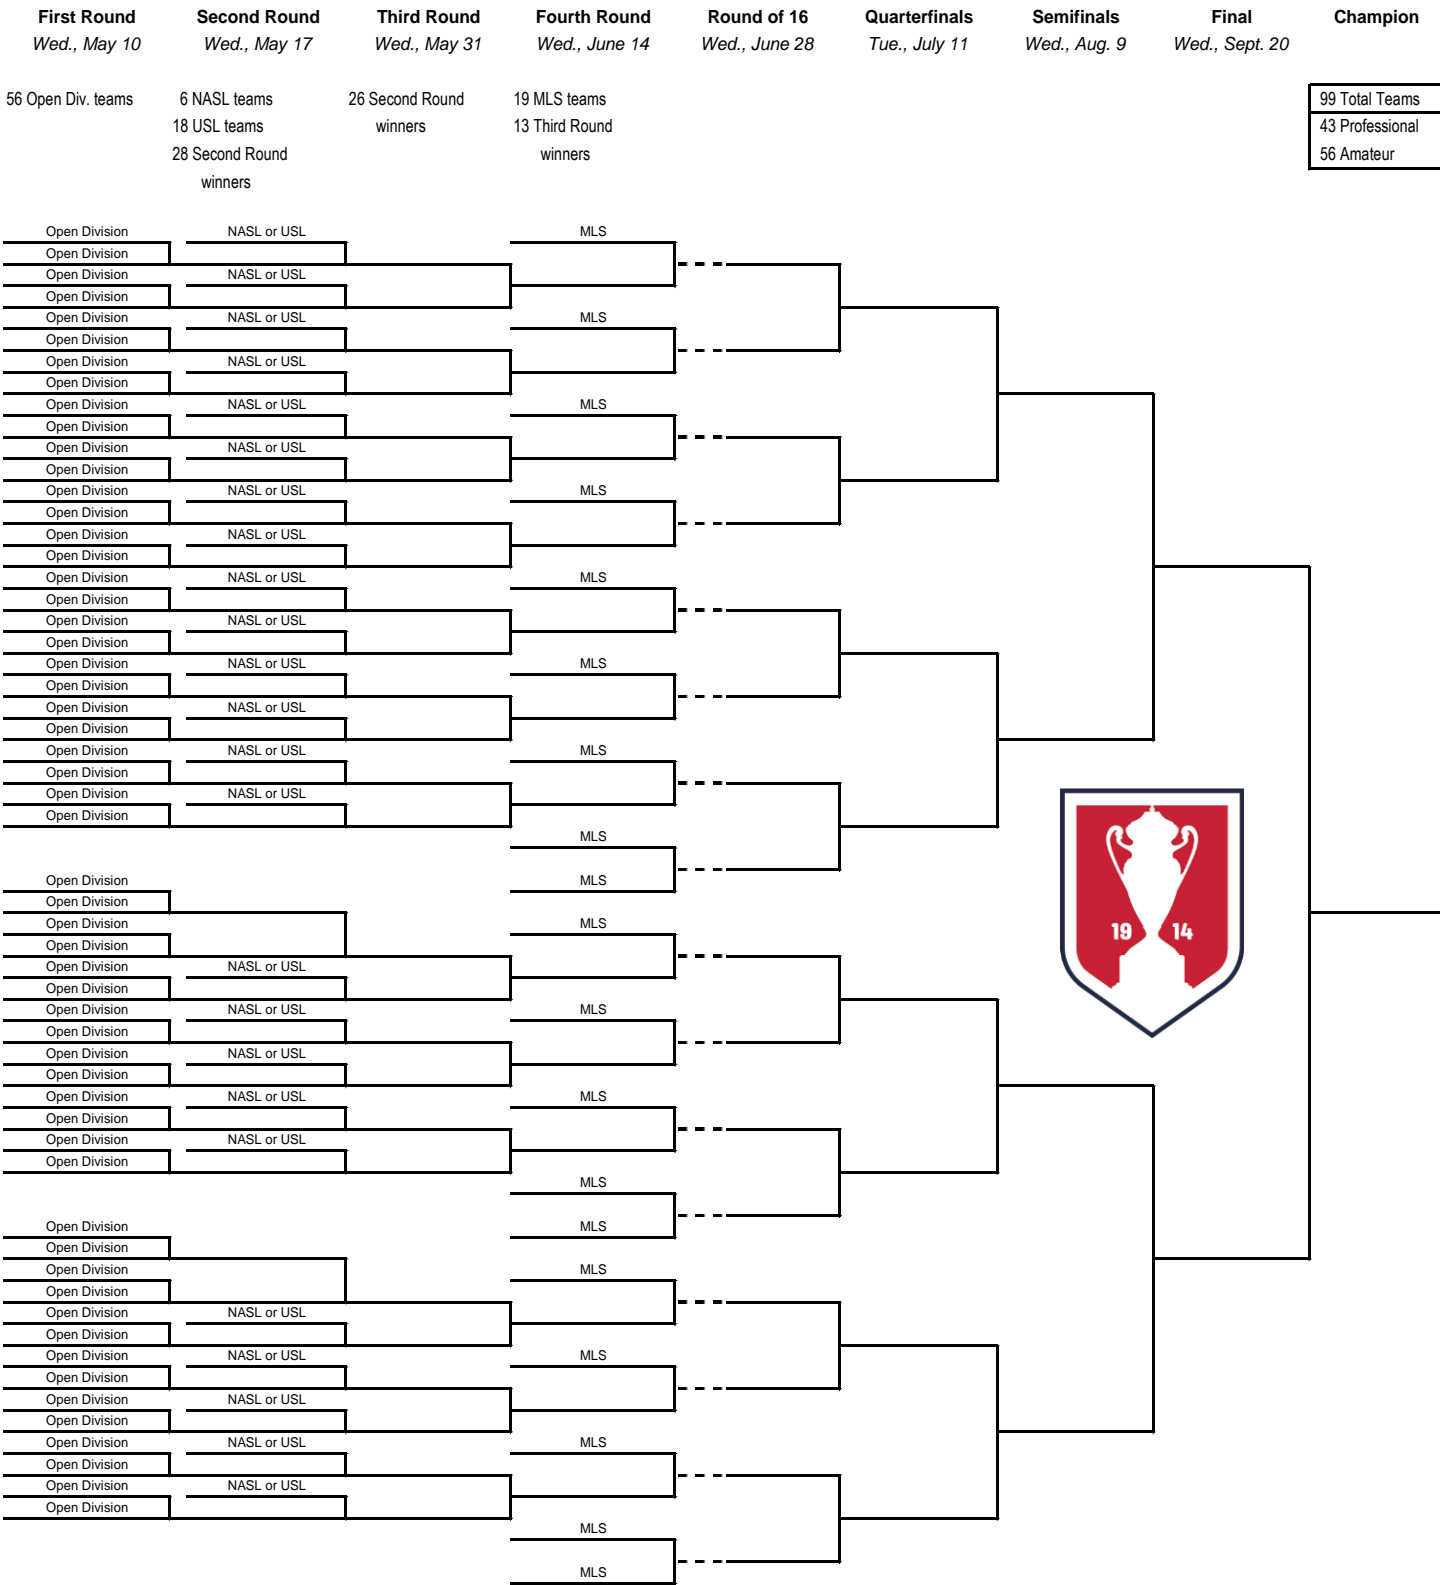

- San Jose Earthquakes (MLS), Reno 1868 FC (USL)

Professional teams who are majority-owned or otherwise controlled by higher division professional clubs are already excluded from Open Cup competition per Section 202(d) of the Open Cup Policy (see list of ineligible teams on the previous page).

- A team playing in its first Open Cup match cannot be paired against another club from the same qualifying pool also playing in its first Open Cup match (an exception to this last restriction will be made in the fourth round when six MLS teams will meet in their first tournament game).
- First Round (56 Open Division teams): Teams will be paired geographically with the restriction that teams from the same qualifying pool (e.g. local qualifiers, PDL, NPSL) cannot be paired to play each other. In the event that three or more teams are from the same proximity, pairings for these teams will be made by random selection.

- Second Round (28 First Round winners and 24 Division II clubs [six from NASL, 18 from USL]): At the time the First Round pairings are made, each Division II team will be matched geographically to a specific First Round pairing and be scheduled to play its winner. The winners of the four remaining First Round matches not paired with a Division II side will play each other, with pairings made geographically. In the event that three or more teams/pairings are from the same proximity, pairings for these teams will be made by random selection. Instances where a logical geographic fit doesn't exist will be resolved by random selection.
- Third Round (26 Second Round winners): After each Second Round pairing has been determined, these will be paired up geographically to determine the Third Round. In the event that three or more Second Round pairings are from the same proximity, the Third Round matchups will be made by random selection. Instances where a logical geographic fit doesn't exist will be resolved by random selection.
- Fourth Round (13 Third Round winners and 19 Division I clubs): After each Third Round matchup has been determined, 13 of 19 Division I (MLS) teams will be paired geographically to a specific Third Round matchup and be scheduled to play these winners, while six MLS teams will face each other to complete the bracket. Instances where a logical geographic fit doesn't exist will be resolved by random selection.
- Round of 16 (16 Fourth Round winners face each other): The Fourth Round winners will be divided geographically (regardless of league affiliation) into groups of four, with teams who are precluded from playing each other until the Final being placed in the different groups. A random draw, scheduled for June 15, will determine the pairings within each group.
- Quarterfinal (Sixth) Round: The two winners from each group used to determine the Round of 16 matches will face each other in the Quarterfinal Round.
- Semifinal Round: The four Quarterfinal Round winners will be paired geographically to determine the pairings for the Semifinal Round. Should two teams precluded from playing each other until the Final reach the Semifinal Round and be scheduled to face each other, the matches will be re-drawn to avoid this outcome.

2017 Lamar Hunt U.S. Open Cup Tournament Bracket

Legend: MLS: Major League Soccer; NASL: North American Soccer League; USL: United Soccer League. Open Division includes clubs from Premier Development League and National Premier Soccer League and those advancing through local qualifying. The pairings shown above are merely illustrative and are not meant to accurately reflect the actual matchups of teams by division. This bracket should be viewed as a basic structure for understanding the matches and rounds in the tournament.

2017 U.S. Open Cup Process for Determining Home Teams

General Steps and Provisions:

- A team interested in hosting must name its possible home venues (limited to two) by submitting a Venue Declaration Form by the published deadline. The form is based on the stadium requirements set forth in the U.S. Open Cup Policy Manual.
- After receiving the list of possible venues, the Open Cup Commissioner makes a determination for each venue on whether it has met the requirements.
- If the team originally designated as the home team cannot host for whatever reason, the game will automatically revert to the opponent's home.
- Unless for reasons of force majeure, if the team originally designated as the home team cannot host after declaring that it could, that team will be declared ineligible for the visiting team travel reimbursement from U.S. Soccer.

All Rounds:

- Prior to the published deadline, each team who might compete in the First, Second and/or Third Rounds declares whether they desire to host in each of these rounds using the appropriate Home Game Application Form. Through this form, the applicant names a specific home venue for each game. The venue must be confirmed to be available for the match date(s) in question and available for the next day in the event a rescheduled match is required. Similarly, each team who might compete in the Fourth through Quarterfinal Round games declares their desire to host by submitting the corresponding Home Game Application Form, due prior to the Second Round.
- First Round matches and Second Round possibilities will be determined shortly after the Home Game Application Form deadline for these rounds. Third Round possibilities will be set after the First Round has taken place (i.e. once Second Round matches are determined), while Fourth Round possibilities will be set after the Second Round has taken place (i.e. once Third Round matches are determined). A random draw will determine the Round of 16 matches while pre-setting the bracket for the remainder of the tournament.
- For each match in the tournament, the Commissioner will conduct a random draw or coin flip to determine the host for each game if: a) both clubs in a match have submitted a Home Game Application Form by the deadline; and b) their respective venues have both been deemed suitable to host. This process will be repeated as possible matches are determined up to the Final.
- Hosts for the First Round and Second Round possibilities will be named through the Initial Pairings Announcement (see competition calendar for planned announcement date). Possible hosts for subsequent rounds will be announced once they become known.

All Rounds (cont.):

- **Hosting Fees:** Each home team is obligated to complete and submit a Home Game Revenue Report Form (found elsewhere in this Handbook). The form, along with any resulting Hosting Fee, is due within seven (7) days following each match hosted. Any team that does not submit payment and/or required documentation in a timely fashion may incur sanctions and/or other penalties imposed by the Commissioner, including a possible ban on hosting future matches until accounts are current.

Semifinals and Final:

- Prior to the published deadline, each team who might compete in the Semifinal and Championship Games declares whether they desire to host in each of these rounds using the Home Game Application Form (Semifinal and Championship Games Only). Through this form, the applicant names a specific home venue for each game. The venue must be confirmed to be available for the match date(s) in question and available for the following date in the event a rescheduled match is required. Separate parameters and guidelines apply to these matches (see form for details).

2017 U.S. Open Cup Decision Table for Determining Match Date When Insufficient Rest Days

Starting with the Fourth Round and continuing until the Semifinals, the matches in these rounds could be played within two-day windows (Tuesday-Wednesday time frames).

With national television commitments in many cases requiring Division I and II professional league games to be scheduled for Fridays and Sundays throughout the year, U.S. Soccer has developed a decision table (see below) for determining Open Cup match dates when one team has a league game the preceding Sunday while their opponent has a league game the following Friday, resulting in only one rest day between matches for one of the participants.

The table below will be used to determine the day of such Open Cup matches, with the additional proviso that if the Open Cup pairing is between two teams from the same league, the league involved will be allowed to settle the game date internally, if it wishes.

2017 U.S. Open Cup Awards & Prize Money

The prize money to be distributed for the competition ending in Sept. 2017 includes the following:

U.S. Open Cup Champion	\$250,000.00
U.S. Open Cup Finalist	\$60,000.00
Division II team* that advances the furthest	\$15,000.00
Open Division team* that advances the furthest	\$15,000.00

Additionally, the U.S. Open Cup champion will be awarded a championship trophy for its trophy case and have its team name added to the Dewar Challenge Trophy, competed for annually since 1912 and symbolic of the U.S. Open Cup champion since 1914. The Open Cup champion also earns a place in the 2019 CONCACAF Champions League, which runs from mid-February to early May. The players from the winning team and the runners-up will be presented with Open Cup medals. U.S. Soccer may also elect to award players from the winning team with championship t-shirts which are to be worn during the trophy presentation.

*If two or more teams advance to the same round, the following order of steps will be used to determine which single team will be awarded the prize money:

1. Team with the most victories against opponents from three divisions higher
2. Team with the most draws against opponents from three divisions higher
3. Team with the most victories against opponents from two divisions higher
4. Team with the most draws against opponents from two divisions higher
5. Team with the most victories against opponents from one division higher
6. Team with the most draws against opponents from one division higher
7. Team with the most victories against opponents from same division
8. Team with the most draws against opponents from same division
9. Team with the most overall victories
10. Prize money to be divided equally among the teams

For the purpose of this procedure, a game that ends with kicks from the penalty mark to determine the team advancing to the next round is recorded as a draw. Additionally, should a Division II or Open Division team advance to the final match, the Champion and Runner-Up prize money will be awarded in lieu of the divisional prize.

This competition shall be recognized as the Federation’s National Championship, and information about the Cup, including the annual champion and runner up, shall be provided to FIFA and CONCACAF.

Section 102. Open Cup Committee

(a) The President shall appoint annually, subject to approval of the National Board of Directors, an Open Cup Committee. The President shall designate one of the members as Chairman of the Committee.

(b) The Committee shall be responsible for carrying out this policy, establishing requirements and procedures for carrying out this policy and for conducting the Open Cup, and for the direction of the Open Cup.

Section 103. U.S. Open Cup Commissioner

The Secretary General of the Federation shall designate a member of the Federation staff to be the Open Cup Commissioner. The Commissioner shall be responsible for the administration of the Open Cup in accordance with this policy and the direction of the Open Cup Committee.

Section 104. Adjudication and Discipline Panel

(a) The Open Cup shall have an Adjudication and Discipline Panel. The Chairman of the Open Cup Committee shall appoint the members of the Panel, to be composed of one representative from the Adult Council and one representative from each outdoor league in the Professional Council and an athlete not otherwise competing in that year’s Open Cup. The Chairman of the Open Cup Committee shall be the Chairman of the Panel but shall not vote when serving as Chairman of the Panel.

(b) The Panel shall have responsibilities as provided by this policy.

The Federation shall maintain an Open Cup account. All receipts and expenses related to the Open Cup shall be credited and debited against that account. Any surplus and deficits shall be carried forward from year to year.

Section 107. Matters not provided for and emergencies

The Open Cup Committee may determine any matters not provided for in this policy. The Committee may also act to change matters included within this policy when emergency circumstances require and report the changes to the National Board of Directors of the Federation. An action of the Committee under this section is final.

PART II — COMPETITION PROCEDURE

Section 201. Categories of competition

(a) Teams shall qualify for the Open Cup through one of the following divisions of competition: (1) Division I Outdoor Professional League; (2) Division II Outdoor Professional League; (3) Division III Outdoor Professional League; and (4) Open Division. All teams registered and competing in a Division I, Division II or Division III Outdoor Professional League (excluding those teams based outside the United States) shall be required to enter the Open Cup competition annually. A youth amateur team applying to compete shall compete through the Open Division.

(b) The Open Cup Committee shall determine procedures for competition within each category of competition and among the categories, the order of competition among the categories, the number of winning teams within each category that are to advance to the next round of competition, dates of Cup matches, and other matters, to provide for the fair and orderly determination of an Open Cup champion each year. The Committee may authorize the organization or organizations within a category of competition to establish procedures for determining the winners within that category of competition. If the Committee so authorizes, the organization or organizations must submit its procedures to the Committee by a deadline established by the Committee for prior approval by the Committee.

Section 202. Team eligibility

(a) To enter the Open Cup, a team must be an outdoor soccer team based in the United States and a member of a club or league of an Organization Member of the Federation. The team must be playing in a regular club or league competition of at least four (4) teams and the competition must consist of at least ten (10) matches for each team in the competition each fiscal year.

Section 202. Team eligibility (cont.)

Section 202. Team eligibility (cont.)

(d) Any Outdoor Professional League Team that is majority owned by a higher-level Outdoor Professional League Team, any Outdoor Professional League Team whose player roster is materially managed by a higher-level Outdoor Professional League Team, or any team that is (1) majority owned by an Outdoor Professional League team, (2) registered with any Open Division League, and (3) registered as a professional team, shall be ineligible to participate in the Open Cup. The Open Cup Commissioner shall circulate a list of proposed ineligible teams for review by the Open Cup Committee. The Open Cup Committee shall review and determine team eligibility annually pursuant to this provision and report its decisions to the National Board of Directors.

Section 203. Player eligibility

(a) Teams entering the Open Cup shall use their official league roster as their Open Cup roster. Except as specified in this Policy or except as the result of discipline matters imposed by U.S. Soccer, all players on an official league roster will be eligible for Open Cup competition, regardless of any status (e.g. injured reserve) each player may have with regard to league competition. Players on loan from another team or league may not be included on an Open Cup roster, with the exception of the following: 1) Loaned players originating from teams competing in leagues that are not active participants in the Open Cup Tournament or qualifying process (professional indoor leagues, foreign clubs, etc.); 2) players on loan from other US clubs for a period of greater than 90 days; or 3) players from teams who have been deemed ineligible for the current Open Cup competition due to the provisions of Section 202(d) and are loaned to the team exercising roster control pursuant to Section 202(d). A team may list up to 18 players on its game day roster. Professional teams may have no more than 5 foreign players listed. Amateur teams are not restricted as to the number of foreign players they may list. Foreign players shall be those players who are not protected individuals as defined in 8 U.S.C. § 1324b (e.g. U.S. Citizens, lawful permanent residents, asylees and refugees).

(b) Roster rules for competing teams:

- (1) For teams entering the tournament by competing through Open Division qualifying rounds: Each team shall submit its roster, together with additional player information that has been requested, to the Open Cup Commissioner by a date set by the Open Cup Committee. Rules with respect to the maximum number of players, roster approval and freeze deadlines, and other features shall be determined by the Open Cup Committee and communicated and enforced by the Commissioner.
- (2) For teams entering the tournament after all Open Division qualifying rounds have concluded: Two weeks prior to the first Open Cup Round in which a team participates, that team shall submit to the Open Cup Commissioner its Open Cup roster, together with additional player information that has been requested by the Commissioner. A team's Open Cup roster shall not be frozen at any time during the competition. For Open Cup matches, a team may add players to or drop them from its league roster under the league rules currently in place. Any changes to a team's roster must be communicated to the Open Cup Commissioner and all clearances obtained, including approval from U.S. Soccer's player registration department, no later than 2 p.m. CT on the first business day prior to any Open Cup match in order for such changes to be in effect for said match.

Section 203. Player eligibility (cont.)

(c) Any player who plays in any part of an Open Cup match for a team, including any match in any Open Division qualifying round, may not be included in the Open Cup roster or play for any other team in the Open Cup competition for that competition year.

(d) If any team plays an ineligible player in an Open Cup match, that team is subject to fines or other penalties, including game forfeiture, as determined by the Adjudication and Discipline Panel.

Section 204. Entering the Cup

(a) To compete in the Open Cup, a team must apply each year, on a form provided by the Federation, and pay an entry fee with the application for each year the team enters the competition. The entry fee shall be paid by cashier's check or money order made payable to "USSF". The application and entry fee must be submitted to the Federation by the deadline established by the Open Cup Committee. The Committee may establish different entry deadlines for different categories of competition.

(b) Prior to the 2015-16 competition, the annual Open Cup application fee shall be as follows:

- | | |
|--|-------|
| (1) Each team competing through the Open Division | \$200 |
| (2) Each Division III Outdoor Professional League team | \$350 |
| (3) Each Division II Outdoor Professional League team | \$550 |
| (4) Each Division I Outdoor Professional League team | \$650 |

Starting with the 2015-16 competition, the annual Open Cup application fee shall be as follows:

- | | |
|--|-------|
| (1) Each team competing through the Open Division | \$200 |
| (2) Each Division III Outdoor Professional League team | \$400 |
| (3) Each Division II Outdoor Professional League team | \$600 |
| (4) Each Division I Outdoor Professional League team | \$700 |

PART III — PLAYING RULES

Section 301. FIFA Laws of the Game

FIFA Laws of the Game apply to Open Cup competition matches. If changes to the Laws are adopted to be effective after matches are first played involving any Division I, Division II, or Division III Outdoor Professional League teams, those changes will apply to the next Open Cup competition and not the competition in progress.

Section 302. Player uniforms

(a) When the uniforms of 2 competing teams are similar, as determined by the referee, the visiting team shall change its uniform.

(b) A clear visible number, at least 8 inches high, must be worn on the back of each player's jersey. Each player on a team must wear a number different from the numbers of the other players on the same team.

Section 303. Match play

(a) Each team will be allowed to select not more than 18 players from its official league roster who shall be designated for its match day roster. No later than 60 minutes prior to the start of the match, each team will provide to the referee and the other team a match day roster designating not more than 11 starting players and the other players (not more than 7) as the pool of players from which substitutions may be made. A team may use not more than 3 substitutes from its match day roster. Once a player leaves the match and is replaced by a substitute, the player leaving may not re-enter the match. A player originally selected for the match day roster of up to 18 who is deemed not able to play may be replaced prior to kickoff by another player on the team's official league roster with the consent of the referee and will not be eligible to compete in the match in which he was replaced. The replacement of such a player (if originally listed as a starting player) shall not reduce the number of substitutions available to his team. The referee shall communicate any such change to the opposing team.

(b) Each match shall be comprised of two 45-minute halves, with a halftime interval not to exceed 15 minutes. If the match is tied at the end of the second half, there will be a five-minute break followed by two 15-minute overtime periods, with a one-minute interval between periods for teams to change ends of the field. If the match is still tied at the end of the two overtime periods, the winner will be decided by kicks from the penalty mark as described in the FIFA Laws of the Game. If, in the opinion of the Match Commissioner, there may not be sufficient light to safely complete both overtime periods and kicks from the penalty mark, the Match Commissioner (in consultation with the referee) may shorten the overtime periods by equal amounts, shorten the break between regulation and overtime periods, and/or cancel the overtime periods entirely. Such a decision must be made and communicated to the teams no later than the start of the first overtime period.

(c) The referee will keep the official time of the match. However, the scoreboard shall count up from 00:00 to 45:00, if possible.

(d) The team or the Federation hosting the match shall provide the ball for the match. In the event that the game is to be televised, the Federation may elect to provide the ball.

(e) Each team shall have no more than 7 players and 7 coaches or team officials in its Technical Area. The name of each coach and team official shall be included on the roster sheet provided to the referee before the match.

Section 304. Match officials

The Federation will assign all match officials, and determine the amounts of compensation for them, for all Open Cup matches except for those matches assigned by the Open Cup Committee to be overseen by an Organization Member of the Federation.

Section 305. Player and team official match discipline

(a) In addition to red and yellow cards the referee may issue to players and substitutes at a match, the referee may also warn coaches and other team officials for inappropriate behavior and may dismiss them from the area of the field. Each caution or send-off of a player or substitute and each warning or dismissal of a coach or other team official shall be included in the referee's game report. For purposes of this policy, a warning to a coach or team official shall be equivalent to a caution and a dismissal equivalent to a send-off.

(b) If any individual referred to in subsection (a) is issued--

- (1) a red card, including a red card as the result of being issued 2 yellow cards in the same match, the individual shall be suspended for at least one Open Cup competition match; and
- (2) each multiple of 3 yellow cards in Open Cup competition in one year (excluding 2 yellow cards received in the same match resulting in a red card), the individual shall be suspended for at least one Open Cup match.

(c) A suspension shall be served by the individual at the next Cup match or matches of the team of that individual. If the individual has no remaining Cup matches during the year, the suspension shall carry forward for up to the next ten year's Open Cup competitions (or twenty years in the case of suspensions imposed by the Adjudication and Discipline Panel) and be served at the individual's next Open Cup match for which he would otherwise be eligible.

(d) The Open Cup Commissioner shall review the circumstances concerning all red and yellow cards issued. If the Commissioner believes that the actions of the individual receiving the card or cards should be further reviewed to determine if a greater penalty than the minimum penalty should be imposed, the Commissioner will refer the matter to the Adjudication and Discipline Panel for further consideration. The Panel shall review a card matter referred to it and may impose a longer suspension period or impose a fine, or both.

Section 306. Protests and General Discipline

(a) A protest related to an Open Cup match must be filed in writing with the Open Cup Commissioner not later than 5:00 p.m. CT, the day after the match, (faxed to 312-808-9295). A cashier's check or money order for \$500 made payable to "USSF" must be received by the second business day after the match. The Commissioner shall immediately refer the protest to the Adjudication and Discipline Panel for decision.

(b) Anyone may file a complaint with the Panel about an action or inaction of an Open Cup team, individual, or group or organization participating in the Open Cup competition. The Panel shall determine if the conduct complained of is or would be contrary to the good of the game. The Panel shall take action it considers appropriate in regard to anyone involved in the complaint as provided by subsection (c) of this section.

Section 306. Protests and General Discipline (cont.)

(c) Except for overturning match results, the Panel may take any action it considers appropriate, including suspension or fine, or both, for any matter considered by it under this policy. The Panel may only consider mandating a replay of a game or advancing a team that lost if a protest has been filed. The Panel may also consider dismissing a team advancing to the next round of competition and awarding a victory via forfeit to the dismissed team's scheduled opponent if either a protest or a complaint has been filed. The Panel may exercise discretion in cases where a team submits a protest to the Commissioner after the deadline has expired in the event that circumstances regarding the availability of information after the deadline warrant this discretion.

(d) A decision of the Panel under this policy is final and binding unless appealed to the Open Cup Committee. An appeal of a decision of the Panel must be filed in writing with the Open Cup Commissioner not later than 5:00 p.m. CT, of the day after receiving the decision of the Panel, accompanied by a check or money order of \$500 made payable to "USSF". The record on appeal is limited to the record before the Panel. A decision of the Committee about the appeal is final and binding.

(e) A party subject to a decision of the Panel or the Committee under this policy may not resort to the courts or other means for relief or restitution from the Federation. As a condition to entering or otherwise participating in the Open Cup, teams, players, and other individuals agree not to seek resort to the courts or other means for relief or restitution from the Federation.

(f) Where the matches are played solely under the auspices of, and delegated to, an Organization Member of the Federation, such as in any qualifying matches prior to Round 1 of the Open Cup, the protest or grievance shall be referred to the appropriate Council or Member's Competition Authority and shall be determined according to the Competition Authority's, Bylaws, Rules, Policies and Procedures then in effect.

Section 307. Forfeiture or failure to appear

If a team forfeits or fails to appear timely for a match, the team forfeits the match and must pay a fine that is at least equal to 3 times the entry fee of that team. The Adjudication and Discipline Panel shall determine the amount of the fine.

Section 308. Cancelled and Terminated Matches

(a) Only the Match Commissioner may declare a match cancellation. The Match Commissioner must consult with the teams' General Managers, the referees and a U.S. Soccer representative before any game may be cancelled.

(b) Every attempt shall be made to play the match irrespective of how long the delay. Postponements shall be considered only in extreme situations, such as those that are beyond the control of the participating teams or could endanger the safety of the participants and spectators.

Section 308. Cancelled and Terminated Matches (cont.)

(c) If a match is cancelled because of weather or other act of God, the match must be rescheduled for the next day unless mitigating circumstances prevent this. In the event that the game cannot be rescheduled for the next day and the teams involved cannot within 24 hours of cancellation reach agreement on a new match date that is within 7 days of the originally scheduled date, the Commissioner will set the date.

(d) If a match is terminated after the end of the first half of a match, but before the end of the second half with one of the teams winning, and the termination is not due to the conduct of one of the teams, the match is considered complete, and the team winning at the time of the termination shall be the winner.

(e) If a match is terminated prior to the end of the first half or is otherwise tied at the time of termination, and the termination is not due to the conduct of one of the teams, the match shall be replayed in its entirety on the rescheduled date.

(f) If a match is abandoned because of the conduct of a team in the match, the other team shall automatically be awarded a win and the team engaging in the misconduct shall be awarded a loss. If a game must be abandoned due to the misconduct of both teams, the referee will file a complete report and the status of the game will be decided by the Open Cup Commissioner. The Commissioner will immediately refer the matter to the Adjudication and Discipline Panel for a recommendation before issuing a decision.

U.S. Open Cup Commercial Rights

With clubs devoting more resources toward the competition, fans spending more time invested in the tournament and soccer media providing greater coverage, U.S. Soccer has seen steady growth of the Lamar Hunt U.S. Open Cup on multiple levels in recent years. To provide clarity as ideas are generated to take advantage of continued projected growth and interest in the U.S. Open Cup, this section outlines the tournament's commercial ownership rights.

U.S. Soccer owns all sponsorship, broadcasting (over-the-air and cable television, radio, and internet) and new media rights for all rounds of the U.S. Open Cup but has mechanisms (such as the Broadcast Request Form on page 31 of this Handbook) in place should a U.S. Open Cup participant or third party wish to apply to broadcast any U.S. Open Cup match(es).

On a round-to-round basis for any U.S. Open Cup games clubs host, U.S. Soccer may grant to clubs field-level commercial rights. Please refer to the list of assets on the following page for details on the division of these rights. Examples of field-level rights include, but are not limited to, all signage within thirty (30) feet of the playing field, goals, corner flags, benches and bench shields (and any marks affixed thereto), medical bibs, ball kid selection and apparel, player escort selection and apparel, sideline beverages/equipment, substitution boards and match balls, all of which, if provided by U.S. Soccer, must be used for all U.S. Open Cup games.

2017 U.S. Open Cup Broadcast Request Form

U.S. Soccer controls all broadcasting rights in all formats (e.g. over-the-air and cable television, internet video streaming, over-the-air radio, internet audio streaming, mobile device, etc.) for the U.S. Open Cup. Any home or visiting team wishing to broadcast any Open Cup match it plays (including Play-In or Qualifying Round games) must complete and submit this form to be awarded permission to broadcast for a specific event. Separate requests must be submitted for each match.

In exchange for granting permission, U.S. Soccer may require a rights fee, promotional mentions during the broadcast, minimum broadcast technical standards, use of opening/closing/event/score graphics and recorded sequences (video or audio) provided by U.S. Soccer, a restriction on broadcast sponsors that conflict with U.S. Soccer sponsors, and/or other consideration.

Any team found to have conducted a broadcast of an Open Cup game without U.S. Soccer's express written permission is subject to sanctions ranging from a letter of reprimand and/or a fine to disqualification from the U.S. Open Cup or any other action as deemed appropriate by U.S. Soccer.

To request permission to broadcast, please complete the form below and submit it at least fourteen (14) days prior to the anticipated event via email to opencup@ussoccer.org. U.S. Soccer will reply at the earliest possible opportunity. If granted, permission will be communicated in writing.

2017 U.S. Open Cup Home Team Responsibilities

Home teams for Open Cup games have specific duties and responsibilities. Teams who apply to host implicitly agree to fulfill the staffing and operational requirements for hosting as detailed in this section of the Handbook. **If your league has declared your team or facility exempt from any of the minimum standards for regular season play, this does not mean that the team or facility is exempt for Open Cup matches.** The Open Cup Commissioner has the authority to waive or modify the stadium requirements for good cause, or may place additional requirements for hosting an Open Cup game. **Teams that violate these minimum requirements will be subject to fines and/or match forfeiture.** U.S. Soccer match commissioners, appointed by U.S. Soccer to observe and inspect the activities of a particular match, will enforce these requirements.

If you have questions regarding the following minimum requirements, please contact the Open Cup Commissioner or the Director of Competition.

When your club has been designated as the home team, you must contact your opponent's travel coordinator within one day of knowing the team you will be hosting and help arrange for reasonably priced and adequate hotel accommodations, as well as ground transportation, if needed.

Note: Each home team will be responsible for paying a Hosting Fee to U.S. Soccer based in part on gross ticket sales (including sales from any suite, club and other premium-seat tickets). Any assessments imposed by leagues sharing in season ticket revenues allocated to Open Cup games, sales taxes, commissions, management fees and other operational expenses are not deductible in determining the basis for Open Cup gross ticket revenue. The fee and a report (see forms on pages 47-48) detailing the fee's calculation will be due within seven (7) days following the event, regardless of any circumstances (e.g. stadium has not yet settled with home team). Failure to submit the required report and/or fees owed on a timely basis may result in a ban on hosting future matches until documentation has been submitted and accounts are current.

Game Day Staff Requirements

- Director of Game Day Operations
- Press Box Supervisor

The liaison will contact the match commissioner and give directions and/or provide transportation to the facility where the match will be played. The liaison must give the commissioner a tour of the facility at least 90 minutes before the match. U.S. Soccer is responsible for all match commissioner fees and reimbursements.
- **Referee Liaison:** Referees have been instructed to officiate the game according to the FIFA Laws of the Game. Any special circumstances should be brought to their attention before the match, and they should be escorted to and from the dressing rooms.

PLEASE EMAIL COMPLETED FORM TO opencup@ussoccer.org

DEADLINE: FRIDAY, MARCH 31, at 2 P.M. CENTRAL TIME

OVERVIEW:

Any team who may participate in the First, Second and/or Third Rounds who wishes to host must complete and submit this Home Game Application Form by the deadline listed in the instructions. For each round applied for, the applicant must nominate a specific venue whose availability on the scheduled match date and the following date (in the event a rescheduled match is required) has been previously confirmed. A team may only choose from among those venues named on the team's Venue Declaration Form.

CONSIDERATION FOR ALTERNATE DATES:

For the Third Round, a team can petition U.S. Soccer to request a change of match dates upon mutual consent of the participating teams. Only for exceptional circumstances will U.S. Soccer consider a request for a new match date that is later than the date already established for the round. Date change requests must include documentation from each of the participating teams agreeing to the date change. Any incremental costs incurred to accommodate the change of dates (i.e. incremental travel costs for the referee crew or Match Commissioner, etc.) must be covered by the team that initially proposes the request.

Teams requesting a date change for the Third Round must do so no later than 48 hours prior to the start of the previous match. U.S. Soccer strongly encourages such agreements between the participating teams be arranged as early as a week prior to the previous match, with the formal request sent to U.S. Soccer at that time. (We suggest separate contingency agreements with each possible opponent.) This would allow for the maximum amount of time to arrange logistics and market the event.

U.S. Soccer will make best efforts to approve date change requests. All documentation should be emailed to **opencup@ussoccer.org**.

INSTRUCTIONS:

1. Complete the team and contact information on the form (please PRINT or TYPE).
2. Indicate which round(s) of the competition the team wishes to host by nominating a venue for each stage. A team may only choose from among those sites named on the team's Venue Declaration Form.
3. Submit the form so that U.S. Soccer receives it by **FRIDAY, MARCH 31, at 2 p.m. Central Time**. Form can be emailed to **opencup@ussoccer.org**. Each team submitting this form implicitly agrees to fulfill the responsibilities listed on pages 32-33 of this Handbook.
4. A team who does not submit this form by the deadline will not be eligible to host games in the First, Second or Third Rounds of the 2017 Open Cup.
5. In the event that the venue nominated does not meet ALL of the Stadium Requirements, a team, if it wishes to host, should still submit the form in the event that the opponent's stadium also does not meet some of these same requirements.
6. A team may adjust until the deadline any Home Game Application Form initially submitted.
7. **Each team submitting this form is obligated to complete and submit a Home Game Revenue Report Form (see page 47 of this Handbook) following each match hosted. The form, along with any resulting Hosting Fee, is due within seven (7) days following the event. Any team that does not submit payment and/or required documentation in a timely fashion may incur sanctions and/or other penalties imposed by the Commissioner, including a possible ban on hosting future matches until accounts are current.**
8. Any team that withdraws its Home Game Application Form after the deadline, unless for reasons of force majeure, will not be eligible for reimbursement of visiting team travel expenses.
9. Please include a correct email address. Much of the tournament information will be sent via email.

A team may only choose from among those venues named on the team's Venue Declaration Form.

CONSIDERATION FOR ALTERNATE DATES:

For the Fourth Round, Round of 16 and Quarterfinal Round, a team can petition U.S. Soccer to request a change of match dates upon mutual consent of the participating teams. Only for exceptional circumstances will U.S. Soccer consider a request for a new match date that is later than the date already established for the round (or outside of the approved date range allowed for the Quarterfinal Round). Date change requests must include documentation from each of the participating teams agreeing to the date change. Any incremental costs incurred to accommodate the change of dates (i.e. incremental travel costs for the referee crew or Match Commissioner, etc.) must be covered by the team that initially proposes the request.

Teams requesting a date change for the Fourth Round, Round of 16 and/or Quarterfinal Round must do so no later than 48 hours prior to the start of the previous match. U.S. Soccer strongly encourages such agreements between the participating teams be arranged as early as a week prior to the previous match, with the formal request sent to U.S. Soccer at that time. (We suggest separate contingency agreements with each possible opponent.) This would allow for the maximum amount of time to arrange logistics and market the event.

U.S. Soccer will make best efforts to approve date change requests. All documentation should be emailed to opencup@ussoccer.org.

INSTRUCTIONS:

1. Complete the team and contact information on the form (please PRINT or TYPE).
2. Indicate which round(s) of the competition the team wishes to host by nominating a venue for each stage. A team may only choose from among those sites named on the team's Venue Declaration Form.
3. Submit the form so that U.S. Soccer receives it by **FRIDAY, MAY 12, at 2 p.m. Central Time**. Form can be emailed to opencup@ussoccer.org. Each team submitting this form implicitly agrees to fulfill the responsibilities listed on pages 32-33 of this Handbook.
4. Each team who does not submit this form by the deadline will not be eligible to host games in the Fourth Round, Round of 16 or Quarterfinal Round of the 2017 Open Cup.
5. In the event that the venue nominated does not meet ALL of the Stadium Requirements, a team, if it wishes to host, should still submit the form in the event that the opponent's stadium also does not meet some of these same requirements.
6. A team may adjust until the deadline any Home Game Application Form initially submitted.
7. **Each team submitting this form is obligated to complete and submit a Home Game Revenue Report Form (see page 47 of this Handbook) following each match hosted. The form, along with any resulting Hosting Fee, is due within seven (7) days following the event. Any team that does not submit payment and/or required documentation in a timely fashion may incur sanctions and/or other penalties imposed by the Commissioner, including a possible ban on hosting future matches until accounts are current.**
8. Any team that withdraws its Home Game Application Form after the deadline, unless for reasons of force majeure, will not be eligible for reimbursement of visiting team travel expenses.
9. Please include a correct email address. Much of the tournament information will be sent via email.

CONSIDERATION FOR ALTERNATE DATES:

2017 U.S. Open Cup Travel Arrangement Policy

1. When your team has been designated as an “away” team and your opponent has been announced, it is your responsibility to coordinate all travel arrangements at the lowest cost possible. All teams must contact Anthony Travel to obtain a quote for airfare, should flights be required (Grace Heijman: phone 424-233-3756 or email graceheijman@anthonytravel.com; Amy Rogers: phone 424-233-3746 or email amyrogers@anthonytravel.com). The budget code for the 2017 competition is “S-31”. Air travel arranged through Anthony Travel will be billed directly to U.S. Soccer and is subject to approval by the Open Cup Commissioner.
2. Email a complete itinerary and budget to U.S. Soccer (using the forms on the following two pages) within one business day after the match has been arranged. The Open Cup Commissioner must approve the itinerary and all expenses in advance. Include flight information and fares, the hotel you will be staying at and the cost per room (including taxes), per diem, and ground transportation costs. Contact the home team, who can help identify and secure reasonably priced and adequate hotel accommodations and ground transportation, if necessary. Email this information to opencup@ussoccer.org. U.S. Soccer will not reimburse anything over the allotted amount per round. **Any waivers of this policy or the reimbursement limits require the written approval of the Commissioner.**
3. After the match has been played, complete the 2017 U.S. Open Cup Travel Reimbursement Form, attach all **original** receipts, and mail it to U.S. Soccer, Attn: Open Cup. U.S. Soccer must receive the form and receipts within fourteen (14) days of the Open Cup match. Your expense report will be processed and you will receive a reimbursement check shortly after U.S. Soccer receives the monthly statement from Anthony Travel documenting any airfare expense arranged through them (this sometimes takes 30-60 days). **Teams that do not fulfill these requirements will experience reimbursement delays or loss of reimbursement.**
4. Teams expensing meals at the per-diem rate should submit to U.S. Soccer the original sheet containing the signatures of each member of the traveling party receiving per-diem money, the amount each receives and the meals covered.
5. Separate reimbursement forms must be used for each game.
6. A traveling team who initially applies to host its match and subsequently withdraws its application after the application deadline will not be reimbursed for travel expenses unless the withdrawal is due to reasons of force majeure.

2017 U.S. Open Cup Travel Reimbursement Limits

First Round through Semifinals: U.S. Soccer will reimburse airline, hotel, meal and ground transportation expense for each visiting team (if necessary) limited to 22 people per team, 12 hotel rooms (including bus driver) for up to two nights, and meals not to exceed two days at \$50 a day for each person (\$13 breakfast, \$17 lunch, \$20 dinner), not to exceed \$10,000 per team for First and Second Round games and \$11,000 per team for games from the Third Round to the Semifinals. Airfare baggage and passenger name change charges are the responsibility of the team.
